We'll be announcing the location of the Christmas Party real soon!**

WRCA Introduces New Logo

WRCA is happy to introduce a new look and color to our logo. The old design served us well for many a year, but it was probably a few years past its prime, so it was time for something new. Be sure to look for our new logo on mailings from Association!

Upcoming Membership Meetings

Wednesday, March 11 - 11:30 a.m.
Fond du Lac

WRCA is pleased to welcome **Bob Kulp** as our speaker for our March meeting. Bob is well known to our industry as a roofing contractor, but there's a lot more to the story. In November 2013 and again in November 2014, Bob was elected to serve in the Wisconsin State Assembly, representing the 69th Assembly District. Bob will be talking about his run for office, reflect on his time in office, and provide insights into the upcoming legislative session. Bob will also talk about NRCA matters, as he currently serves on the NRCA's Board of Directors. Registration information coming soon or visit www.wrcaonline.org.

Wednesday, May 6 - 5:00 p.m.
TBA (Milwaukee Area)

WRCA is pleased welcome back **Mark Graham** as our speaker for our May meeting. Mark not only talks about how the various codes have changed, but why. More than that, he explains how those changes affect real-world installations. Graham joined NRCA in 1993 and is responsible for the association's Technical Services Section which responds to inquiries for technical information and assistance. He serves as the association's technical liaison with outside organizations and develops and maintains the association's technical documents, including The NRCA Roofing and Waterproofing Manual. Registration information coming soon or visit www.wrcaonline.org.

Golf Outing - Hold The Date!

It's never too early to be thinking about warmer weather and a day on the golf course, so here's what you need to know about this year's golf outing:

Wednesday, July 22, 2015
