**Reception/Lunch – 11:30 a.m.**

**Presentation – 12:15 p.m.**

As one year draws to a close, it's only natural to start thinking about the next. For roofing contractors, there are plenty of questions to ask. How will the economy perform? What can we expect in the way of new laws and regulations? And what direction is the market heading here in Wisconsin?

This program was created to help answer that third question - about the direction of the market in Wisconsin. To do that, we have invited several of our manufacturer members to participate in a moderated discussion about the market, presenting their company's insights and perspectives. This is not a product presentation, but a sharing of information about trends that will affect us. Based on the success of this program, we plan to invite additional perspectives from our manufacturer's representatives in 2014.

Our speakers for this program include Dan Witzlib (GAF), Nathan Hobbs and Brian Matter (Gulfeagle/Weather-Tek), Bill Moody (Johns Manville), and Clay Van Gomple and Andy Weisensel (Firestone).

*We encourage you to come to this informative meeting!*
