Speaker - State Representative Bob Kulp

WRCA is pleased to welcome **State Representative Bob Kulp** as our speaker for the March meeting. Bob is probably better known in our circle as the owner of Kulp's of Stratford, a roofing, insulation, solar photovoltaic, and exterior remodeling contractor in central Wisconsin, but in November 2013, Bob was elected to serve the State's 69th Assembly District.

This past November, Bob was reelected to the seat and in the current session, he will serve on the Assembly Committees on Jobs and the Economy; Labor; State Affairs and Government Operations; and Workforce Development. He will also chair the Committee on Mining and Rural Development. In addition, Bob is currently a Vice President of the National Roofing Contractors Association.

Bob will tell us about his experience running for the State Assembly and about his first few years in office. He will also talk about the recent election and his expectations for the coming legislative session, including any legislation that might affect our industry. In addition, Bob will provide an update regarding NRCA and its activities.

We encourage you to come to this informative meeting! Non-Member guests are welcome!
