We invite you to join us for a two-part Membership Meeting. The first part will feature a presentation about the [Milwaukee Bucks Arena project](#) and plans for future development in the area. And what better place to hear about the project than the Bucks Preview Center, which features mock-ups of the suites in the new arena!

After dinner, we'll have the second part of our presentation: David Turiciano of Turiciano Law Offices will discuss strategies contractors can use to level the playing field in their relationship with GCs, CMs, and end-user owners. This isn't just another legal presentation. Prepare yourself for a plenty of interaction and insights.

We encourage you to come to this informative meeting and guests are welcome.
