Reception/Lunch – 11:30 a.m.
Presentation – 12:15 p.m.

One of our most popular and well-attended meetings of the past several years has been a roundtable discussion among the various technical representatives working with the roofing industry in Wisconsin, so we've asked that group to join us again to discuss insights relevant to the Wisconsin market.

This will be a moderated program with questions being posed to our panelists. Panelists include representatives from Carlisle, Firestone, Johns Manville, Mulehide, and GAF. Other companies may still be added.

Are there particular installation/service issues you would like addressed?

Make this program even more valuable by providing us your questions!

Provide your input on the registration form.

We encourage you to come to this informative meeting!

Non-Member guests are welcome.
