The Wisconsin Roofing Contractors Association (WRCA) and the Wisconsin Chapter of International Institute of Building Enclosure Consultants (IIBEC) invite you to attend a Joint Meeting of the associations. We'll start with an optional tour of Gaco Western in Waukesha. From there, it's a short ride (3 minutes) to Tally's Pub and Eatery where we'll have time to network before we begin our presentation.

We will discuss the various types of roof coatings, differentiate between application methods, while outlining the advantages and disadvantages of each system. The goal is to provide an understanding of when and where each system can be viewed as a viable option and what can be expected in regard to overall performance. **This program qualifies for 1 hour of credit for AIA/CES Learning Unit, Health, Safety, and Welfare (HSW).**

Our speaker is Dan Knutson, North Central Distribution Manager, GacoFlex Division. Dan has been with Gaco since 2010. He is a native of Pewaukee and served as Gaco's North Florida rep from 2012-2016, returning home in the Summer of 2016 to cover the Chicagoland and Wisconsin territories. Since then, his territory has expanded to include Wisconsin, Illinois, Indiana, and Michigan. When he's not working, Dan is all about baseball!

Following the presentation, there will be an open forum and announcements by each association. We'll adjourn at 5:30 p.m. with the option to continue to network at Tally's.

**Space is Limited – Register Early!**
