Crane Safety for Roofing Contractors
You Can't Afford to Wait!

Associated Training Services
7190 Elder Lane
Sun Prairie, WI 53590
[MAP](#)

Our November program will be on crane safety and rather than bring an instructor to us, we're going to go to them! Associated Training Services in Sun Prairie has invited us to hold our meeting at their location. This will be an interactive session for owners and anyone involved with project safety.

Our speaker is John Klabacka, President of ATS, which is a provider of crane training for countless roofing contractors and the larger construction industry. ATS is the oldest family-owned training center for CDL drivers, heavy equipment operators, crane operators, and rigging and signalpersons.

We'll start with lunch and some networking time, hear from our speaker, and then wrap up our meeting with a few updates about upcoming programs and plans for 2024.

We encourage you to ask any questions you may have for our speaker on your registration form.

Non-Member guests are welcome.

To register, use the attached form.
