

## 2023 Scholarship Application

### THE AWARD

The Wisconsin Roofing Contractors Association (WRCA) is pleased to offer one or more scholarships in the amount of \$1,500.00. The scholarship award was created to provide financial assistance to students pursuing full-time undergraduate or graduate study. The award is available only to the dependents of employees of WRCA member companies.

The WRCA will issue a check to a school designated by the applicant. The award is intended for tuition and school-related fees. The recipients will be notified in December. The selected applicant must agree to WRCA publishing his/her name and photo for industry-related publications. The selected applicant is encouraged to submit the name of any local publications he/she would like notified.

### THE APPLICATION PROCESS

The applicant must complete a WRCA Scholarship Application including two brief written essays. A transcript of grades (copies are acceptable) must be attached to the application. These materials are to be postmarked by **December 6, 2023** and returned to:

WRCA/Scholarship  
P.O. Box 833  
Germantown, WI 53022  
E-mail: [jeff@assocmgmtservices.com](mailto:jeff@assocmgmtservices.com)

### THE SELECTION PROCESS

A selection committee will review applications and determine whether the applicant meets all of the requirements of eligibility. If so, the winner(s) will be selected randomly from among all of the qualified applicants.

The scholarship is awarded solely on the merits of the application and are awarded without regard to race, color, sex, religion, national origin, conviction record, marital status, sexual orientation, disability, or any other characteristic protected by law.

The winner will be notified by email, mail or phone by December 22, 2023.

Applicants may reapply for the scholarship each year it is available but may not win more than twice.

<b>Work Experience</b>	
<b>ESSAY QUESTIONS</b> (Please type your answers to the following questions on a separate sheet and attach.)	
<ol style="list-style-type: none"><li>1. Perhaps you know what field of study you are going to pursue, but not everyone does. Right now, our industry is facing a shortage of skilled workers. Think about a friend you may have who is uncertain about their future and tell them about our industry and why they might consider a career in the construction industry.</li><li>2. What do you think the biggest challenges will be over the next ten years of your life? These could be challenges affecting you personally or, more generally, our country and the world. How will you help contribute to overcoming some of the challenges you listed?</li></ol>	

Please send the completed application, transcripts (copies acceptable), and essays to:
